

IPT-DS2

Relax and enjoy the party. Sony's new personal photographer will automatically rotate and tilt to take your photos for you. Take photos like never before, as your friends and family, including you, don't have to pose for the photo. You'll see amazing results of those once in a lifetime candid moments. Compatible with Sony's DSC-W560, W570, WX9, WX10, H70, HX7V, TX100V cameras only.

Automatic

Snaps pictures at an event while rotating and tilting - automatically.

Intelligent

Intelligently searches and tilts to follow subjects and take photos.

Dual Shooting Modes

Smile Shutter™ technology automatically detects smiles and Face Detection technology recognizes faces to take photos at the right moment.

Composition

Intelligent composition uses the rule of thirds to compose great shots.

Sweep Panorama

Take stunning panoramic shots using your camera's Sweep Panorama mode

Customize

By pressing the Menu button, you can set the Rotation Angle, Shooting Frequency, and Flash.

Flexible Power

Power up your Party-shot™ with either two AA alkaline batteries, sold separately.

Includes tripod

A convenient tripod is included.
